19. On September 13th, 2022, ATF TFOs Orick and Wright conducted an interview with Jaylan GORE at 369 S. High Street, 4th floor, Columbus, Ohio (Franklin County, Ohio Adult Probation Office). Jaylan GORE was read his constitutional rights and agreed to answer questions without an attorney present. The interview was audio recorded and a copy of the interview will be maintained by ATF as evidence.

20. Jalyan GORE was informed that he was being interviewed regarding the Vance's FFL burglary

that occurred on 8/14/2022 at 4250 Alum Creek Drive, Obetz, Ohio. Jaylan GORE was further informed that 15 firearms were taken from the location.

21. Jaylan GORE was informed that investigators observed that juvenile suspect NP had contact with Jaylan GORE via cellular telephone (chat, text, facetime, etc). GORE stated he knew NP through his older brother "USH", who has been previously identified as Malachi PEE.
22. Jaylan GORE was informed that immediately following the aforementioned contact Jaylan GORE was observed having contact with Robert KIMBALL (aka: LoLo) and Javon GORE (aka: Vonny). NP's cellular telephone was then observed contacting KIMBALL and Javon GORE. Jaylan GORE was informed that Mikael WATERS (aka: Kels) was arrested on 8/17/2022 with one of the FFL firearms and that Javon GORE was arrested with one of the FFL firearms on 8/18/2022.
23. Jaylan GORE stated KIMBALL informed him, word on the streets, that some people hit a gun store and KIMBALL asked Jaylan GORE if he wanted to look at the stolen firearms via facetime. Jaylan GORE stated he agreed to look at the firearms and described a live video of firearms sitting on a bed. Jaylan GORE stated he identified one of the firearms as a tan FN in addition to the firearm that Javon GORE was arrested with. Jaylan GORE stated KIMBALL asked him if he wanted to purchase any of the stolen firearms. Jaylan GORE stated he informed KIMBALL he did not want to purchase any of the shown firearms.
24. Jaylan GORE was asked if his DNA would be on the Glock 22, .40 cal pistol, sn: BAVZ760 that was located under the front seat of the vehicle WATERS was driving. Jaylan GORE stated, "I touched that Glock. For sure I touched it. I touched the gun but it wasn't mine. I got my own gun. My bitch's gun. I touched it one time. I done looked at it.". Jaylan GORE was asked to explain his last statement. Jaylan GORE replied, "Vonny (Javon GORE) and LoLo (Robert KIMBALL) brought it around.". Jaylan GORE was asked how the Glock 22, .40 cal pistol ended up in WATERS' vehicle and Jaylan GORE stated Javon GORE and Robert KIMBALL left the firearm in the vehicle.

26. The firearm was submitted to the Columbus Police Crime Laboratory where it was swabbed for cellular material (DNA). The laboratory is qualified and certified to conduct DNA analysis. In order to determine if GORE is a contributor of any DNA recovered, the laboratory needs a sample DNA swab from GORE. If DNA profiles are recovered from these swabs, a reference standard from GORE is needed for comparison.
27. Based on the foregoing, I believe that there is probable cause to issue a search warrant and obtain a Deoxyribonucleic Acid (DNA) sample from the person of GORE, as this DNA sample may constitute evidence of violations of 18 U.S.C. § 922(j) (receive, possess, conceal, store, barter, sell, or dispose of any stolen firearm or ammunition). Therefore, I request that the Court allow me and/or other authorized law enforcement officers to take a cotton swab and place it inside the mouth of GORE, rubbing the inside of his cheek to obtain cellular material—this method allows officers to obtain saliva, and or topical or oral skin cells, by means of an oral swab. Based on my training and experience, I know that this procedure is quick, painless and involves minimal intrusion into the body. This warrant also permits authority to execute the search warrant with force if necessary.

FURTHER AFFIANT SAYETH NAUGHT.
